Hi,

You should be ready to go for the 29th. The re-testing will be completed by the end of the week.

Thanks,
Kate

Good morning

Just checking to see if you have received these samples back from New Bedford [REDACTED] If so, when do you anticipate the testing will be done? We have trial date on 5/29 and tomorrow (5/17) we have a final pre-trial conference. I would like to be able to let the judge know if I'll be ready to go on the 29th if the case is reached, or whether I will need a continuance. Also, I think I was told that the drugs would be given to Kate Corbett for retesting, since she was the second analyst for the original test. Is that still the plan? Thanks.

New Bedford has not brought these samples back to the lab yet. I truly appreciate the status update and the sooner New Bedford can return the samples the better.

Thank you,

Julianne and Elisabeth

Attached is the letter I sent a few weeks ago. We agreed to hold off on retesting to see if [REDACTED] case would be a guilty plea today. He has changed lawyers (again), so the case was not resolved today. Although there still may be a plea (on May 17), the case remains on for trial on May 29. Because of the short time between the possible plea date and the trial date, it seems that we have to go forward with retesting. New Bedford PD should have brought the drugs back to the log by now. Please let me know if there are any issues.
